Customize Your Inventory Solutions

RELIABLE

Increase
Productivity

ACCURATE ORGANIZATION

Eliminate Search Time for
“Nickel And Dime” Nuisance Items

COST EFFECTIVE

Reduce Downtime and
Overall MRO Costs

STARTING AT
\$499

MEC =

MORE ASSORTMENTS!

How It Works

- All four-drawer setups start at \$499 base price (which includes a free rack and stand)
- Assortments are separated into Tiers
- Tier 1 assortments are all factored into the \$499 price
- For every assortment chosen from Tier 2 through Tier 8, simply tack on the adder to the \$499 for your custom four-drawer setup

QUALITY COMPARISON

Weights up to 2x more than import fittings

Superior wall strength – Competitive fittings are typically 40% the wall thickness

Manufactured using heavy wall extrusion process for superior performance

Designed for Hydraulic, Pneumatic, and Instrumentation applications

Larger wrenching surfaces for tightening fittings

Value-Added Services

We stock more than 49,000 maintenance and repair items with access to 550,000+ hard-to-find items through our Special Order Department.

'Buy American – Buy Kimball Midwest'. 80% of our inventory spend goes to a product made in the U.S.A to meet the quality our customers demand.

Over 99% fill rate on all orders with same day shipment and delivery to 85% of customers within 24 hours.

We keep your maintenance and repair products organized, maintained, and serviced on a regular basis.

Demonstrably superior quality products with a written warranty.

In-house Quality Assurance Department provides conformance inspections of incoming product to assure products meet our standards of quality.

Safety Seminars available on fasteners, cutting tools, welding, abrasives, chemicals, electrical, hydraulics, and fleet air brake.

On-line access to product information, Safety Data Sheets (SDS) and ordering capabilities (www.kimballmidwest.com).

and much more...
